

Homedale Elementary School Memo

To: Homedale Board of Trustees, Superintendent Rob Sauer
From: Tate B. Castleton, Principal
Date: November 2, 2021
Re: Report to Board of Trustees

FIRE SAFETY VISIT: The Homedale Fire Department recently visited Homedale Elementary School and provided all of our Kindergarten students with a training on fire safety. All of our students were mesmerized by the presentation and loved seeing all of the city's emergency response vehicles and many of the brave first responders who serve this community! We would like to thank Dennis Uria and the Homedale Fire Department and emergency personnel for volunteering their time and spending with our students. This is a great place to be!

WAGONS HO! COMES TO HES: Our fourth-grade students recently were able to participate in WAGONS HO! IDAHO. Cal and Marla Clevenger once again put on a fun, interactive, and educational presentation that lasted the entire school day. This event also draws in countless parent volunteers. We appreciate their time and effort to make this day special for our students. We can't wait to do it again next year!

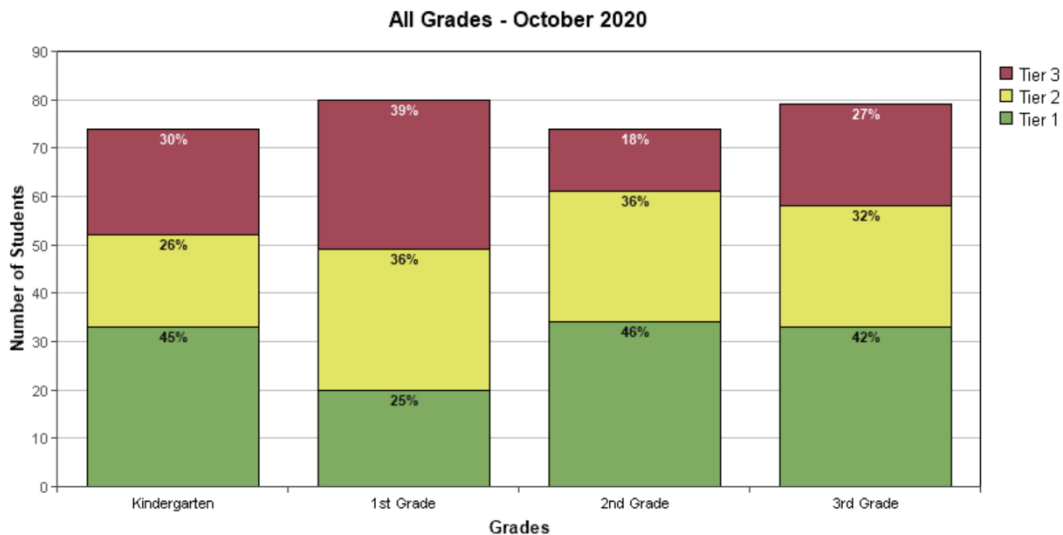

iSTATION DATA UPDATE: Here is a quick look at a comparison between last October's (2020) schoolwide iStation data compared to this past month (2021). We are off to a good start! Each classroom has a goal to grow 3-5 points per month on iStation. Our teachers are working hard every day to help everyone of their students grow academically and emotionally. ***This is the first year that fourth grade is using iStation, so they will not appear on last year's report.
