IMESD District Board Talking Points January 2017

Happy New Year and welcome back to serving kids!

InterMountain On-Line is a key new addition to the 2017-18 Local Service Plan. Our Instructional Services team is researching effective programs and collaborating with component districts to develop a virtual platform for all component districts. This winter, we will finalize a model for districts to customize their on-line learning opportunities for their students.

Regional Superintendent Meeting IMESD hosted our monthly superintendent meeting on December 14. This meeting was unique in that board chairs were invited to attend a videoconference meeting with area legislators Senator Hansell and Representative Barreto. During this portion of the meeting, we discussed our region's perspective on the following, timely issues:

- The Governor's Budget for K-12 Education
- Measure 98
- IMESD Early Intervention/Early Childhood Special Education Program
- InterMountain On-Line
- PE Requirements
- Dyslexia Initiative
