

High School Board Report 12-11-18

- 11/14 - Allison Solum (Family & Consumer Science Teacher and FCCLA Adviser) was awarded a Tomahawk STAR Foundation grant called "Beyond Crayons and Chromebooks." The grant was in the amount of \$1000. Ms. Solum wrote the grant to acquire funding to offer culinary enrichment opportunities to students during Resource Hour. Thank you Tomahawk STAR!
- 11/15 - National Honor Society and Student Council Stevens attended a leadership workshop in Stevens Point. The workshop focused on influencing and expanding upon leadership opportunities within their organizations and the school environment.
- 11/16 - Results from the One Act Play State Performance: It was an exciting and well recognized State performance. THS returned with the acclaimed Critics Choice award. Also, Abby Norman, Martin Schmidt, and Maura Koth all received acting awards. The crew was recognized with Outstanding Crew. The group was also recognized with Outstanding Ensemble.
- 11/16 - FBLA & FCCLA promoted the annual Tomahawk Venison Feed. Students worked with the Chamber of Commerce and other businesses to promote the event generate energy in our area around tourism.
- 12/1 - State Spanish Speaking. We had 24 students who participated in a local Spanish Speaking competition judged by native speakers of Spanish. 14 earned the right to participate in the State Spanish Speaking Competition in West Bend on December 1. Tomahawk High School students represented their school well. We earned 5 second place medals and 9 first place medals for their presentations.
- 12/4 - FCCLA visited the Children's Hospital in Appleton to visit and donate time to the efforts of the Hospital. Students painted holiday windows and donated various fleece blankets and toys.

Academic & Career Planning Activities (ACP)

- 11/13 - Coloma Training Center. Students visited the Operating Engineers Training Center in Coloma, WI. Students learned about careers in heavy equipment operation, education and training requirements and the equipment itself.
- 12/19 - Channel 12 WJFW. Students will be visiting the WJFW studios to learn about the various careers in journalism, broadcasting and business.
- Ongoing - Resource Hour Career Presentations. Area business professionals have been signing up for presentation times during Resource Hour to provide overviews of their profession, education and training, job satisfaction, etc. Thank you to these professionals for donating their time and being involved in ACP.
