

Collin County Community College District Board of Trustees

2016-9-15

September 27, 2016

Resource: Kenneth Lynn

Acting Vice President- Administrative Services/CFO

TITLE: Report Out of the Campus Facilities and Construction Committee and Approval of Prevailing Wage Rates required by Board Policy CM (Legal) and Government Code Chapter 2258 for Construction Projects

DISCUSSION: Board Policy CM (Legal) and Chapter 2258 of the Texas Government Code require each political subdivision of the state to determine the prevailing rate of per diem wages for each craft or type of worker in the locality in which a construction project is to be performed, and the general prevailing rate of per diem wages for legal holiday and overtime work.

Chapter 2258 requires that a worker employed on a construction project for that political subdivision shall be paid not less than the general prevailing rate. It also provides that a contractor, or subcontractor of the contractor, awarded a construction project by the political subdivision, shall pay not less than the determined rate.

Chapter 2258 also requires that the solicitation for bids for a construction contract, and the contract itself, specify the calculated prevailing wage rates.

DISTRICT PRESIDENT'S RECOMMENDATION: The District President recommends approval of the prevailing wage rates as presented in satisfaction of the requirement contained in Board Policy CM (Legal) and Government Code 2258.

SUGGESTED MOTION: "Mr. Chairman, I make a motion that the Board of Trustees of Collin County Community College District approves of the prevailing wage rates as presented in satisfaction of the requirement contained in Board Policy CM (Legal) and Government Code 2258 for construction projects."
