

# Action Sheet

**MEETING DATE:**                    **October 18, 2006**

**AGENDA ITEM:**                    **Consider early release day for students in tenth through twelfth grade at Ball Hall School**

Students in grades 10<sup>th</sup> – 12<sup>th</sup> grades will be attending school on October 27, 2006 to make up for the August 21, 2006 date that only freshman attended. We are requesting this day be approved as an early release day. We are holding parent/teacher conferences on this day. Teachers usually meet with parents the night before as well. All other campuses in GISD are releasing staff at noon on the 27<sup>th</sup>.

Texas Education Agency stated that as long as our students were in school for a minimum of 4 hours and all vocational and special education students got their required services, it could count as a full day of school.

**RECOMMENDATION:**            It is recommended that the Board of Trustees approve the early release day for Ball Hall School.
