

Executive Director Board Report

April 2023

- We are on Social Media. Please follow us and join us as we Celebrate our Students one post at a time! #LifeAtCVSEC

- We held our final Open House last Wednesday evening for our current CVSEC students. We are hosting an Open House for all incoming STEP students on the evening of April 26th. This is an additional opportunity for incoming students to meet staff and become more familiar with STEP and CVSEC.
- Staffing continues for the 2023-2024 school year. We currently have 5 open Teaching positions, 14 open Educational Assistant positions, and 1 Intervener open.
- Our delayed egress locking system should be completed by the end of June 2023. Our sensory spaces will be getting a refresh in ALEX and SUN. This was not completed when we moved into our new space and a refresh in these areas will better meet the needs of students. Other larger summer projects are technology based.
- Graduation will be held on May 30, 2023, at 11:00 AM for ALEX graduates and at 1:00 PM for STEP graduates. It is held at The Legacy Golf Course Pavillion at Shattuck-St. Mary's.
- SUN and ALEX ESY, which is for students who qualify for Extended School Year, is planned for July 17 - July 21st and July 24th- 28th.
