NOVEMBER  
2025

THE PTO SPONSORED  
BOTH FIELD TRIPS  
AND THE JIM GILL  
CONCERT! WE  
APPRECIATE YOU!

## 1st Grade Field Trip

All 1<sup>st</sup> grade classes took a field trip to the Westwood Kids Gym. Students learned the importance of fitness and nutrition. They also moved their bodies and had tons of fun! This correlated to our "Human Body" unit in Amplify Knowledge.

## Jim Gill

Jim Gill performed two live concerts for Washington School. Our school theme is based on his book, "May There Always Be Sunshine". The concert was engaging and fun for everyone!

## Trunk or Treat

What a fun night seeing all our families and students dressed up. Thank you to everyone who decorated a vehicle for the event. We had over 600 people in attendance! Shout out to our Family Engagement Committee who planned this successful night!

## Pre-K Field Trip Selmi's

They kids were SO excited to ride a bus-it was probably their favorite part of the day.

Pre-K had a wonderful fun filled day at Selmi's. Students played in corn, went down a BIG slide, and checked out all the pumpkins and gourds. We are lucky to have this amazing & local pumpkin patch.
