Inclement Weather: The District is required to show 30 hours of make-up time in the event of inclement weather or other emergency circumstances. If the Superintendent cancels school, 21 hours of instructional time are built into the calendar that would not need to be made up. If additional time is necessary to be made up, May 22 & 26 may be used or time may be added to the remaining instructional days at the discretion of the Superintendent.

In case of excessive inclement weather, please schedule summer travel after June 3rd.

*The alternate format calendar allows the district to use instructional minutes to determine the school calendar.
