4. To receive funds the organization is required to submit the following to ASCA:
  - A complete signed grant award letter within 60 days from the date of this letter
  - A complete Final Report of the organization's previous fiscal year ASCA grant award, if applicable
5. The organization will provide required matching funds and certifies that such funds were secured and disbursed through proper fiscal procedures.
6. The organization certifies it is a 501(c)(3) organization or equivalent (e.g. School, Tribal entity, municipality or governmental agency).

8. Other federal fund sources (e.g. National Park Service, National Endowment for the Humanities) cannot be used as match for National Endowment for the Arts funds awarded within an ASCA grant. The fund source assignments are outlined at the top of this grant award agreement.
9. If the activities described in the approved application cease for any reason, the organization must provide written notification to ASCA as soon as possible and no later than 45 days prior to the end of the current state fiscal year.

All other funds will be returned to ASCA.

Necessary accounting procedures must be followed to demonstrate these stipulations have been met.
