

**MANDATED Policy Annual Review: 2025-2026 School Year**

Statutory mandates require the Board to perform an annual review for conformity to prevailing law. Each of these policies is based upon MSBA model policy language and or review by district's legal counsel, as necessary. The School Board has previously reviewed and approved each of the following policies or is approving them at the same meeting this is being approved. At this time, no changes are required. I am recommending that the Board certify that the District has performed an annual review. The previously approved policies can be found on the District website.

The school district will take appropriate disciplinary action when students fail to adhere to the Code of Student Conduct established by this policy.
