Good afternoon, I am the owner of Krystal Dairy Inc., a WBE family-owned milk distribution company who has been delivering milk in the Chicagoland area since 1989 and am reaching out for two reasons. First, to introduce ourselves to the district and let you know we would be interested in serving you and your students. If you have any upcoming bids, we would like to be added to your notification and distribution list (my contact information is below). Second, I am submitting a formal Freedom Of Information Act (FOIA) request for your current milk and dairy prices as well as current milk distributor information: Name and company information for current milk distributor or food manager service Current product and price list, including whether current prices are firm/fixed or fluctuating Please send the requested information to me in PDF format via email to mch57@comcast.net. Thank you in advance for your work on this request, and I hope we can work together in the future. Respectfully, Mary Catherine Hrascinski
