Background Information

As per Board policy, FMG (Local), any out-of-state trips taken by student organizations or other student groups shall require approval from the Board.

The Health Occupations Students of America (HOSA) International Leadership Conference, taking place June 18–22, 2025, in Nashville, TN, will gather accomplished health science students nationwide for hands-on and academic competitions. This event at the Gaylord Opryland Convention Center aims to cultivate student excellence, leadership skills, and career preparedness. Offering competitive events, leadership sessions, networking opportunities, and awards, the conference provides a platform for students to showcase their health science mastery, build professional competencies, and gain international recognition.

Duncanville High School will have one student advancing to this prestigious event, highlighting the local talent in health occupations.
