**RE: New Board Member Orientation**

**Approved:**

---

Because the Board, as the policy making authority of the Bloomfield Public Schools, is responsible to the public for the success of all educational services offered by the school system, and because that success is directly dependent upon each Board member's ability to participate meaningfully in the decision making process that governs this system, it shall be the policy of the Board to provide, as soon as practicable, for the orientation of new members. The purpose of the orientation is to help new members become quickly acquainted with their Board duties and responsibilities.

Orientation of new Board members will begin at the outset of their candidacy and continue throughout the election process. Prior to elections, beginning as soon as the individual's candidacy is known, the candidates will receive from the Board a brief overview of the Bloomfield Public School district. The candidates will be placed on a mailing list to receive notices from the Board, other meetings, and summary reports of Board action. Candidates will also be informed that additional information pertinent to each Board agenda item is available to them through the Central Office.

After the general election in November, and prior to the new members officially assuming the position in December, the new members will be invited to meet with the Superintendent and other administrative personnel to discuss services to be performed for the Board, and to allow them to request any other information they may deem desirable. Each new member will also receive an orientation packet from the Superintendent's office and will be notified of and given the opportunity to attend sessions of the Connecticut Association of Boards of Education or similar new Board member orientation.

The packet will include:

1. A copy of the Board's policies, rules, and regulations.
2. A copy of the current school budget and the latest financial statement.
3. A new Board Member packet from CABE.
4. Any other materials relevant to duties and responsibilities as members of the Bloomfield Public Schools.

First-time elected board members are to complete a training program that minimally includes the following:

1. The role and responsibilities of a board member;
2. The duties and obligations of a board of education;
3. School district budgeting and education finance.
