

As discussed in the May 31, 2023 Board Meeting:

Schedule Date/Time for Board Policy Review: Mr. Gallup stated there are several board members that have requested to review policy. Ms. YellowOwl suggested to have a work session just for policy and start with policies that are being questioned. Mr. Gallup agreed, if a policy is a problem we can start there.

Mr. Gallup stated the board will discuss a date and time that is good for everyone.
