

Multnomah Education Service District

Board of Directors

Recognitions

April 20, 2010

**Molly Emmons
Maternal and Child Health Project Manager
Office of Family Health, Public Health Division
ABCD Project**

And

**Anne Stone
Interim Executive Director
START Manager
Oregon Pediatric Society**

The MESD Board of Directors recognizes these partners for their collaborative efforts to provide the bridge between the pediatric primary care physicians and the Multnomah Early Childhood Program to increase the identification of young children who would benefit from early childhood special education services.
