ATTN: Dr. Puig

As of our last progress report, we have completed the Veterans Memorial Visitors Concession with complete replacement of toilets, urinals, dispensers, toilet partitions, interior and exterior painting including roof and exterior lighting.

Moreno Jr. High School - Classrooms have been repainted along with the Exterior painting of Window Trim and Doors/Frames. We will be moving on to paint the 100 and 300 Wing Classrooms.

A.C. Jones High School - the 300 Wing Corridor and New Cabinets for Room 105 have been completed. We are currently working on Corridors to update the color scheme to the "Trojan" orange color. Once complete we will commence the painting of the Glazed Block Corridor Walls including the Mens & Womens Restroom.

Future work is scheduled for Moreno Jr. High School Glass Entry Doors, Counselors Office Reconfiguration including carpet. A.C. Jones High School Health Science Wing is also scheduled for renovation. We look forward to the future success of these project.

Thank you for your continued support.
