Dear Paru and Bryan:

Thank you for allowing the Wisconsin Association of School Boards to serve your school district this past year. The WASB staff takes pride in supporting, promoting and advancing public education.

Enclosed is the 2019-20 Report to the Membership, which highlights the daily work of the staff this past year, along with an At Your Service brochure, which outlines our services. We also included information about the complimentary WASB subscriptions and additional publications available to your district. If you have any questions about our services and/or publications, please let us know.

Also enclosed is a copy of your dues invoice for 2020-21 which was emailed to your WASB district contact earlier this month. The WASB Board of Directors has approved an adjustment to the dues schedule but recognizes the continued challenges facing Wisconsin school districts during the COVID-19 pandemic.

To help support our members, the board agreed that each member be issued a credit to their 2020-21 membership dues invoice in an amount that equals the difference between the member's dues based on the 2020-21 dues schedule and the member's dues based on the 2019-20 dues schedule. That credit has been applied to the enclosed invoice. You might notice a slight increase or decrease compared to last year, however, if your district moved up or down a level in the schedule.

Please note that school boards may not nominate or vote for WASB regional directors at the Fall Regional Meetings, participate in the Delegate Assembly in January, or enjoy any other member benefits until the dues invoice is paid.

It is a privilege to serve Wisconsin's public school boards and we look forward to our continued partnership in the year ahead. Thank you for your membership.

Sincerely,

John H. Ashley
Executive Director

*The WASB By-laws allowed for a three percent increase in the dues schedule for 2020-21.

To help support our members during the Covid19 crises, the WASB Board of Directors authorized a credit to each member's dues in an amount equal to the difference between the 2019-20 and 2020-21 dues schedules. The amount billed includes that credit.

Professional staff includes classroom teachers, supervisors, principals, assistant superintendents, administrators, and other professional or certified employees, as reported to the Department of Public Instruction in September, 2019.
