RE: Disposal of Holmes Library Books

DATE: May 8, 2018

Holmes School Disposal

Last month, the Board of Education approved book disposal for Holmes because the media center is being expanded. However, additional library books are being weeded because they will not be needed for student use in the new space. Attached is a list of books that are expected to be disposed.

Please note that Irving School and Julian Middle School will present items for disposal for approval at the June 12, 2018 meeting.
