

BOARD REPORT

TECHNOLOGY

January 2026

I am continuing to work on and upgrade wireless network to keep things running well.

I have finished E-Rate this month, now working on getting quotes.

I am updating firmware on cameras systems and adding a few more.

I am updating firmware on firewall and content filtering.

I am replacing a few POE switches, these go out of date and won't let you update.

I am working on adding some technology where needed with grant funds.

I am adding 3D printers to a few classrooms.

I am continuing to working on best practices and resources for cyber security.

I am adding a power switch in the electrical class to be able to turn the camera off.

I did another email Phishing exercise to educate the importance of spam emails.

The new screen at Bluffview is 100 percent installed.

I am going through all classrooms to make sure everything is working properly and updating where we can.

Fixing all day to day problems as needed.
