801 EQUAL ACCESS TO CHARTER SCHOOL FACILITIES

[Note: Under the federal Equal Access Act, any public secondary school that receives Federal financial assistance and which has a limited open forum may not deny equal access to students wishing to use the limited open forum. 20 United States Code section 4071.]

I. PURPOSE

The purpose of this policy is to implement the Equal Access Act by granting equal access to secondary school facilities for students who wish to conduct a meeting for religious or other activities during non-instructional time.

II. GENERAL STATEMENT OF POLICY

- A. The policy of the school district is not to deny equal access or a fair opportunity to, or to discriminate against, any students who wish to conduct a meeting, on the basis of the religious, political, philosophical, or other content of the speech at such meetings.
- B. The school board has created a limited open forum for students enrolled in secondary schools during which noncurriculum-related student groups shall have equal access and a fair opportunity to conduct meetings during noninstructional time.
- C. Student use of facilities under this policy does not imply school district sponsorship, approval, or advocacy of the content of the expression at such meetings.
- D. The school district retains its authority to maintain order and discipline on school premises, to protect the well-being of students and faculty, and to assure that attendance of students at meetings is voluntary.
- E. The school accords equal treatment of and access to all religions.
- F. In adopting and implementing this equal access policy, the school district will NOT:
 - 1. influence the form or content of any prayer or other religious activity;
 - 2. require any person to participate in prayer or other religious activity;
 - 3. expend public funds beyond the incidental cost of providing the space for student-initiated meetings;
 - 4. compel any school agent or employee to attend a school meeting if the content of the speech at the meeting is contrary to the beliefs of the agent or employee;
 - 5. sanction meetings that are otherwise unlawful;
 - 6. limit the rights of groups of students based on the size of the group;
 - 7. abridge the constitutional rights of any person.

III. DEFINITIONS

- A. "Limited open forum" means that the school grants an offering to or opportunity for one or more noncurriculum related student groups to meet on school premises during noninstructional time.
- B. "Secondary school" means any school with enrollment of pupils ordinarily in grades 7 through 12 or any portion thereof.
- C. "Sponsorship" includes the act of promoting, leading, or participating in a meeting. The assignment of a school employee for custodial, observation, or maintenance of order and discipline purposes does not constitute sponsorship of the meeting.
- D. "Meeting" includes activities of student groups which are permitted under a limited open forum and are

not directly related to the school curriculum. Distribution of literature does not constitute a meeting protected by the Equal Access Act.

- E. "Noninstructional time" means time set aside by the school before actual classroom instruction begins or after actual classroom instruction ends, including such other periods that occur during the school day when no classroom instruction takes place.

IV. FAIR OPPORTUNITY CRITERIA

The school shall uniformly provide that:

- A. The school must be nonsectarian in its operations. If the school allows religious or other activities on school property during non-instructional time, the school will allow equal access to all groups.

A meeting held pursuant to this policy is voluntary and student-initiated;

- B. There is no sponsorship of the meeting by the school or its agents or employees;
- C. Employees or agents of the school are present at religious meetings only in a nonparticipatory capacity;
- D. The meeting does not materially and substantially interfere with the orderly conduct of educational activities within the school; and
- E. Nonschool persons may not direct, control, or regularly attend activities of student groups.

V. PROCEDURES

- A. Any student who wishes to initiate a meeting under this policy shall apply to CCS's office personnel at least 48 hours in advance of the time of the activity or meeting. The student must agree to the following:
 - 1. All activities or meetings must comply with existing policies, regulations, and procedures that govern operation of school-sponsored activities.
 - 2. The activities or meetings are voluntary and student-initiated. The principal may require assurances of this fact.
- B. Student groups meeting under this policy must comply with the following rules:
 - 1. Those attending must not engage in any activity that is illegal, dangerous, or which materially and substantially interferes with the orderly conduct of the educational activities of the school. Such activities shall be grounds for discipline of an individual student and grounds for a particular group to be denied access.
 - 2. The groups may not use the school name, school mascot name, school emblems, or any name that might imply school or district sponsorship or affiliation in any activity, including fundraising and community involvement.
 - 3. The groups must comply with school policies, regulations and procedures governing school-sponsored school facilities under this policy must provide the following information to the principal: time and date of meeting, estimated number of students in attendance, and special equipment needs.
