Notifying Parents of SBAC and Opt out Letter

Each school will send out a letter to explain if they do not want their child to take a state test. They must fill out a form and sign it and return it to the office for us not to test them.

## District Scores

We are excited about Fruitdale's scores. Math is exceptional...we have been doing extra pulling out for struggling students for the past several years. We feel our reading scores, although good, will go up since we have started pulling out for extra reading time too.

It was also explained how scoring is done.
