2ND—71
3RD—60
4TH—66
5TH—61

TOTAL---445

School newsletters were sent home on November 6th. Second Six Weeks report cards went out on Wednesday, the 14th.

Students with perfect attendance and A & B honor roll students were recognized on the 12th.

Our local Veterans were honored on November 12th. Approximately 26 veterans, along with their families, were our guests for a coordinated event that began with a coffee reception sponsored by the High School and hosted by its Student Council. Then the 5th graders, under the direction of Justina Saunders presented a spirited musical program. After the program, the Middle School hosted a luncheon to honor our special guests.

Our UIL meet is fast approaching. We will compete in Irion County on December 5th and 6th. Our teachers are in the process of final selections for the events. Well over 100 students tried out for various contests.

Teachers are continuing to find ways to improve RtI. Teachers are restructuring plans in order to address students' learning needs as they develop.
