total enrollment = 157

1. TMSCA Meets in February, March and April. We are taking math and science students to four meets.
2. Texas Middle School Conference is March 1-3. We are taking several from our campus to further our turnaround efforts.
3. 6-12 Math and Science Vertical Alignment Meetings. Agenda for Friday, February 10<sup>th</sup>  
8:00 – 8:30 – Introductions, Information  
8:30 – 9:30 – Data Analysis  
9:30 – 10:30 – C Scope Discussion  
10:30 – 11:30 – Comprehensive Needs Assessment (CNA) and Action Plan  
11:30 – 12:30 – Lunch with Colleagues  
Things to bring:
  1. CIA Notebook with current data and last year's TAKS data.
  2. C Scope Materials
4. Girl Power at ASU on the 18<sup>th</sup> and STEM Conference at ASU on the 25<sup>th</sup> – Both of these events are part of our efforts to expose students to goal setting, as well as, college and career opportunities. Students will get to spend the day on the ASU campus with students from around the Concho Valley, hear guest speakers, and have opportunities for self-awareness and a glimpse of possibilities for their futures.
5. Mock STAAR testing will begin on our campus, February 21<sup>st</sup> and 22<sup>nd</sup> with 7<sup>th</sup> grade Writing, 8<sup>th</sup> grade math and 8<sup>th</sup> grade reading. We will have a full "dress-rehearsal" for logistics and also gather data to focus instruction in deficient areas before the March testing dates.
6. 6<sup>th</sup> graders are participating in the Red Cross Fitness Frenzy Campaign. Students will walk with our Red Cross volunteer on several days to increase awareness on the healthy benefits of cardiovascular exercise.
7. We are beginning to plan for Texas Public Schools Week Activities, March 5-9.
8. We are beginning to look ahead to next year for ways that we can increase the academic maturity of our students through organizational skills, study skills, and goal setting. We have started a few activities this spring semester with planners for all the 6<sup>th</sup> graders and some 7<sup>th</sup> graders. We also have had students create grade contracts for each cycle of this semester to set goals for both cycle grades and benchmark scores.

9. We are continuing with our peer observations on our campus. We will branch out to the other campuses during cycles 5 and 6.
10. We will be conducting our formal observations in February for our PDAS requirements.
