

Criminal Records Checks/Fingerprinting * (Version 2)

All newly hired employees shall be required to submit to a nationwide criminal records check and fingerprinting, including Employees of a Public Charter School. Individuals contracting with the district and their employees, who have direct, unsupervised contact with students, shall also be required to submit to a nationwide criminal records check and fingerprinting.

The Board requires an Oregon criminal history check for individuals considered for volunteer service for the district.

The district shall begin the employment of an individual [volunteer service] or terms of a district contractor on a probationary basis pending the return and disposition of such checks.

An individual who has failed to disclose the presence of criminal convictions that would not otherwise prevent his/her employment with the district as provided by law may or may not be employed or contracted with by the district. The district’s use of criminal history must be relevant to the specific requirements of the position, services or employment.

Criminal records checks and fingerprinting fees as required by the Teacher Standards and Practices Commission shall be paid by the individual. Fees as required for all other individuals subject to such checks and/or fingerprinting shall be paid by the individual.

Employees not requiring licensure may request that the required fees be withheld from the employee’s paycheck. Such fees may be deducted only upon the request of the individual.

The superintendent is directed to develop administrative regulations to meet the requirements of applicable Oregon Revised Statutes and Oregon Administrative Rules.
