

SCHOOL & COMMUNITY PERCEPTION SURVEY

(Link to survey)

Riverside School District #96 is partnering with Educational Leadership Solutions to facilitate a Strategic Planning process beginning early this Spring. This process will provide the opportunity to review all aspects of the district while developing a new Strategic Plan, which includes our vision, mission, values, and goals to guide the district for the years ahead.

You can participate in this process by completing the Dist. 96 School and Community Perception survey (below), which will provide important data to be reviewed and considered as a part of the Strategic Planning process. Thank you for participating. Updates will be provided as the Strategic Planning process progresses.
