Agenda Item Caption: Report on Board Member Training

Purpose of Agenda Item: Information only

Administrative Recommendation: Mr. Williams, as Board President, will read aloud the Board Training Announcement (board approval is not needed).

Background Information: Since 1986, the State Board of Education (SBOE) rule on continuing education for school board members (Title 19, *Texas Administrative Code*; Chapter 61, Section 61.1, Continuing Education for School Board Members) has required the board president to make a public announcement each year, of the name of each board member who has completed the required continuing education, who has exceeded the required hours of continuing education, and who is deficient in meeting the required continuing education as of the anniversary of the date of each board member's election or appointment to the board. The board president must ensure that this information is reflected in the minutes of the meeting and that it is made available to the local media. The rule requires that the announcement be made at the last regular meeting of the board of trustees before an election of trustees and that the board president annually distribute the State Board of Education's *Framework for Governance Leadership* (also known as the *Framework for School Board Development*) to all current members of the board and the superintendent.
