Item Name: DISCUSSION OF RFP #250007822 FOR NETWORK FIBER AND CONNECTION EQUIPMENT FOR SCHOOLS/SITES OPENING IN 2026-2027 SCHOOL YEAR

Item Summary: The purpose of RFP #250007822 is to select vendors that will provide network fiber and connection equipment for schools/sites opening in the 2026-2027 school year. This type of award follows E-Rate requirements and is beneficial to the district as it provides the district with competitive bids that meet our technical requirements.

E-Rate is a FCC program that makes telecommunications and information services more affordable for schools by utilizing Universal Service Funds to provide a discount on telecommunications, internet access, and internal network connections.

Recommendation: Administration recommends that the Board of Trustees approve the selected vendor for the purchase of network equipment for schools opening in the 2026-2027 school year.
