FYI--

The district is going to receive a donation for school supplies from the Rotary Club. I divided it up per pupil in the district at \$4.16 per student and averaging 100 students at Indus they will receive \$418 and Northome with an average of 200 will receive \$832. That gives us a total of \$1,250.

Hi Jeremy,

The Board of the Rotary Club of International Falls met today and we will be donating \$1,250 to ISD 363 through our Learning Tree program. As I mentioned previously, this program is to help our lower income families to be successful in the coming school year, and we know that you will use these funds as you best see fit to support that mission for your students in Indus and Northome.

I forgot to ask you yesterday, what mailing address would you like us to use?

Thank you!

Amy
