

# Proposed Certified Nursing Assistant Program Change

Quanah will:

- Bus students to the VC campus for all classes, clinical, and testing
- Provide all books and workbooks

Vernon College will:

- Provide the instructor, classroom, clinical site, and all supplies needed for the classroom

The classes will be two nights a week. Tuesday and Wednesday nights are preferred by our instructor but can be discussed further. Our plan is for class to be from 4:00pm – 8:00pm. This will give us the opportunity to have a class that starts in the fall and ends before Christmas. We would be able to start a new class in the spring and it would end before the end of the school year. That would give students the opportunity to choose a class that best fits their schedule. It will be CNA only. No intro or LVN classes. Shana gave me a ballpark number for the program at \$6,000 to 7,000. A new MOU and contract will need to be signed. Let me know what you think or if you have any questions.

Thanks,
