

Governance Committee Report on 2025 Board Election

Committee Name: Governance

Date of Report: August 17, 2025

Written/submitted by: Becky Lund

For the 17th consecutive year, the Governance Committee provides this report to the Board under the authority of Nova Classical board policy NP 202. The purpose of this report is to provide a written summary of the last Nova Classical board election, with participation percentage and recommendations for increasing voter education and participation, as well as applicable dates/deadlines for the 2026 board election. As has become customary, this report also discusses additional issues and recommendations that may affect Nova Classical board elections.

Executive Summary

This year there were five seats up for election. No candidates ran for two Parent Seats, two candidates ran for two Teacher Seats, and one candidate ran for one Community Member Seat.

During the nomination period, members of the Governance Committee solicited recommendations from the Nova Classical community and Becky Lund, as Governance Committee chair, reached out to all people recommended.

Due to the lack of candidates, the Candidate Forum was cancelled.

Other than a lack of parents running, the 2025 election itself proceeded smoothly with minimal issues. As always happens, a few people contacted “governance@novaclassical.org” to share that they had not received ballots. In all cases, the people were on the list of voters and were advised to check their spam folders and the ballot was resent. No additional issues were reported.

Voter participation percentage is as follows:

2025 = 30%

2024 = 37%

2023 = 34%

2022 = 28%

2021 = 38%

2020 = 31% (delayed election due to Covid-19)

2019 = 40% (only two teacher candidates on ballot and a shorter - 2 wks instead of 3 - voting window)

2018 = 31%

2017 = 38%

2016 = 54.2% (switched to electronic ballot/voting instead of paper)

2015 = 29%

2014 = 35%

2013 = 39%

2012 = 52%

2011 = 51%

2010 = 42%

2009 = 56%

The committee recommends continuing the existing practices of providing early reminders to the Nova Classical community about the election process, updating and publishing written Election Guidelines, and communicating these items and any additional matters relevant to the board election process on a regular basis. We also recommend continuing to provide a Candidate Forum where candidates attend in person and community members may attend online or in-person. The Governance Committee will continue to discuss and investigate best practices for getting election information to all members of the Nova Classical community.

Discussion

I) Recommended Dates & Deadlines for 2025 Board Election

The date for the board meeting which also functions as the approval of the election results is Monday, May 18, 2026. Additional dates and deadlines will be provided in an online 2026 Election Timetable as the election approaches. A draft of the timetable is attached to this report.

The Governance Committee recommends continuing with a two-week voting period coupled with continuing to provide numerous reminders to vote during that period. Simply Voting allowed us to send reminders to everyone who had not yet voted.

II) Pre-Election Publicity and Documentation

A) Early Reminder Letter. Each January or February since 2010 an Early Reminder Letter and/or Brochure was distributed to the Nova Classical Community, detailing the seats up for election, the overall timetable for the election with deadlines where applicable, a summary of the qualifications sought for a Nova Classical board member, and suggestions for informing potential candidates about board service at Nova Classical. In 2014 and after, this brochure was sent via email to the Nova Classical community.

The Governance Committee recommends distributing an early reminder flyer via email in February 2026, focusing on seeking recommendations for potential nominees that the Governance Committee can reach out to with more information. At the same time, the Governance Committee will reach out to the board committees to ask for possible recommendations for candidates.

B) Call for Nominations Letter. This formal start to the annual election process is distributed to all Nova Classical parents, teachers, current BoD members and the public. Nova Classical's Bylaws require that this notice be sent at least 90 days before the May Meeting.

The Governance Committee recommends publishing/distributing a similar letter in 2026, with updates/clarification as appropriate. Members of the Governance Committee will continue to contact members of board committees and other recommended leaders in the Nova Classical community to encourage them to run or nominate someone else to run.

In addition to these pieces, the Governance Committee would like to have a parent information night (or video with similar information) regarding the work of the Board and to share ways that people could become more involved with board committees and work. This continues to be a part of the Governance Committee goals to provide more training on the work of the Board to the Nova Classical community.

The Governance Committee noted that the Board continues to need people with legal and finance backgrounds and will make this a priority in communications regarding nominations.

C) Candidate Nomination Form

Again in 2026, the Governance Committee recommends not having a form, but encouraging people to nominate others by emailing governance@novaclassical.org, which is what has been done over the past couple of years. The Chair of the Governance Committee will then reach out to the people nominated and share with them the steps they need to do to become a candidate and to double-check eligibility. Additionally, the Governance Committee will continue to be proactive in soliciting nominations through board committee members as well as doing outreach into the Nova Classical community for recommendations for nominations.

D) Candidate Questionnaire Form

All candidate questionnaires were received by the due date. All questionnaire responses were posted on the Nova Classical web page in a Voter's Guide. Copies of the questionnaire responses were also included on the ballot with Simply Voting.

The Governance Committee recommends using a similar Google form in 2026, with updated questions reflecting the progress of the strategic plan, current board goals, and other needs of the Nova Classical Board of Directors. The Governance Committee also recommends again asking candidates to submit a current photo to include in the Voter Packet. This would not be required, but is very helpful in connecting faces and names.

III) Submission of Candidacy Timing

The nomination period ran as usual this year. Candidates were able to submit nominations throughout the nominations period, though most came during the last five days. The Governance Committee will continue to set the deadline for candidate submissions a few days prior to the Governance Committee meeting at which candidate applications are reviewed. This provides time for members of the committee to review the applications and make sure they meet the guidelines set by state statute and the Governance Committee. The Governance Committee will continue to set clear and specific deadlines for all candidate information to be submitted for the candidate to be viable. Additionally, the chair of the Governance Committee will continue to respond to all nominations with a timeline, an invitation to attend the meeting, and any issues that may be obvious with the nomination (conflicts of interest, missing information, etc.)

IV) Candidate Choice of Category

No concerns or actions at this time.

V) Additional Candidate Information

The Governance Committee will continue to share an electronic copy of the Voter's Guide no later than the first day of voting to help get information to the voters; the information is also included on the Simply Voting ballot. We will also continue to research other methods of getting information to voters.

The Governance Committee will also continue to hold a Candidate Forum just before or at the beginning of the voting period.

VI) 2026 Nova Classical Board Election Rules/Guidelines

As it has done each year beginning in 2010, the Governance Committee recommends that an updated version be posted in several places on the Nova Classical website prior to and during the 2026 election. The Governance Committee also recommends that the committee continue to remind all board members, voting and nonvoting, that campaigning on behalf of specific candidates in board elections may jeopardize Nova Classical's tax-exempt status under IRS Section 501(c)(3).

Additionally, the rules have been updated to reflect changes in MN statutes such as the community member must reside in Minnesota and Teacher Seat candidates must work a minimum number of hours as a teacher to be eligible.

VII) Increasing Voter Participation

The Governance Committee continues to discuss ways we can encourage more people to vote in the board elections.

VIII) Ballot/Vote Tallying

The Governance Committee continues to find electronic voting to be much easier than paper ballots. The results were immediate and certified by Simply Voting. The Governance Committee recommends continuing to use Simply Voting for the 2026 election.

IX) Staggered Term Requirements

Because the seats up for election are not currently equal each year, at this time the Governance Committee recommends that one of the Parent seats be for a two-year term instead of three.

[Note: MN statutes prohibit a term for less than two years and our Bylaws still state that we want our standard term to be for three years.] The recommendation of the Governance Committee for the 2026 board election is:

- 3 Parent seats each for a 3-year term, and
- 1 Parent seat for a 2-year term

Nova Classical Board Seats Staggered Term Status as of August 17, 2025

Terms Expiring June 30, 2026 (4)

Parents: Bavi Weston
Todd Sample
Colleen Hansen
Lisa Wikman

Terms Expiring June 30, 2027 (3)

Parent: Heather Meeker
Teacher: Chris Shepard
Community Member: Teo Flesher

Terms Expiring June 30, 2028 (2)

Teachers: Shannon Hooge
Becky Lund

Timetable for the 2025 Nova Classical Board Elections as of August 2025

Date Due	Event	Action Items Necessary	Person(s) Responsible
12/8/2025	Governance Committee Meeting	- Review 2026 election flyer and update as needed - Remind Board members and Board committee members to begin reaching out to potential candidates	GC
1/12/2026	Governance Committee Meeting	- Make final changes to the election flyer - Approve and distribute the final copy via email - Assign election tasks to members of the committee including continued publicity such as outreach for recommended candidates and an education night regarding the work and needs of the Board	GC
