It will be a great night celebrating the talents of our students.</p> <p>The students and staff participated in a number of activities during our Cancer Awareness week to help support the cause. Many staff and students contributed to this effort. Some of the week's highlights were a silent auction with items donated by different staff groups, basketball musical chairs and walking tacos at basketball games</p> <p>A special thank you to Nina Torkelson, along with the WE Group for all their hard work and dedication to the project.</p>
