

**Dunlap Community School District #323**  
**Board of Education Meeting**  
**May 21, 2025**

**ACTION ITEM**

**TO:** Members of the Board of Education  
Dr. Scott Dearman, Superintendent

**FROM:** Jennifer Wilke, Assistant Principal  
Dunlap Middle School

Brian Bishop, Assistant Principal  
Dunlap Valley Middle School

**SUBJECT:** 2025- 2026 IESA Membership and Activity Dues and Registration

**PROPOSED ACTION:**

That the Board of Education approve membership dues/sports and activity registration fee of \$1,415.00 for the 2025-2026 school year for each middle school. Additionally, we ask that you authorize registration for Golf, Chess, Bowling, and Cheer. Registration for Golf, Chess, Bowling, and Cheer will not be officially submitted until students have committed to these competitions. Golf is \$45 per student with a maximum of 6 boys and 6 girls. Chess is \$15 per student with a maximum of 7 sixth, 7 seventh, and 7 eighth graders. Cheer is \$75 per cheer routine. Bowling is \$20 with a maximum of 4 boys and 4 girls.

**BACKGROUND INFORMATION:**

In order to continue participation in Illinois Elementary School Association sponsored activities, the district must renew its membership for the 2025-2026 school year. Authorizing Golf, Chess, and Cheer allows us to offer these activities to students but the final cost is not determined until students formally commit to participating. If fees are paid after June 9, 2025 they double.
