- *Plan for Community Conversations:* The plan is to ask about four questions, listen, and take careful notes. Planning for 15-25 people at each Community Conversation.
- Carol explained that the community members will craft the vision for the district and then the admin team will look at how we're doing currently on getting to that vision and then create a plan for measuring these areas going forward.
- At the 4/12 board meeting, we will work to get a sense of the board's thinking from the Six Word Stories crafted at the January 30<sup>th</sup> D97 Leadership Vision Retreat and then discuss them:
  1. Equitably empowering engaged collaborative resilient innovators
  2. Developing visionaries evoking and sustaining effective change
  3. Empowering all stakeholders to inspire visionary (moonshot) global collaboration
  4. Equitably empower all learners to be empathetic resilient innovators
  5. Community of engaged learners empowered to persevere and succeed
  6. Equitably empowering all learners to be relentless innovative thinkers
  7. A passion for equity and excellence
