Instruction/Academic Data:

- Enrollment- on-site, 392
- Teachers from each grade level team are signed up to attend a two day workshop on classroom culture and positive discipline at the end of February.

Title- January 27, 2025

The Title team has been busy assessing, scoring, and entering data for Winter Benchmark Testing. There has been a lot of growth over the last semester and our kiddos and teachers should be proud. Teachers met in grade level teams on Wednesday to review the data and form new intervention groups to help our struggling students make the greatest amount of growth possible. We are currently assessing for program placement, so we will continue in Round 2 groups for a few more days.

We just got information that we will need to begin making changes to our Tier II and Tier III groups due to the Early Literacy Grant funding we are receiving as a District. Starting next year, groups will be 4 students or less and there will be a specific list of approved curriculum for us to use. We are currently creating an inventory of those programs to make sure we'll have what we need available. We will also be reviewing our school schedule to see if we can shift assistant support to our Tier II Reading block in order to create smaller groups during that time.

Boys and Girls Club:

Not in attendance.

Teacher Requests/Comments: NA

Next meeting: February 24th, 2025

Adjourned 3:15pm
