August Board Report

Napi Elementary's Leadership Team has been focused on developing plans to support our district's and school's 2022-2023 goals. Plans include preparing schedules, developing instructional tools, and readying the campus to greet staff and students when the campus opens on **Aug 22, 2022**.

In June, Napi's SBE team identified areas of the instructional framework and refined them for Authentic Literacy, Writing, Math, Science, and Social Studies. A tentative copy of Extended Wednesday PDs was also developed. All documents were updated and posted on Napi's Padlet, a tool our school uses to house and access all documents. Leadership week is scheduled for August 8th-12th. Our team will continue to complete in-depth planning.

During the annual 2022 SAM meeting, school leaders were encouraged to continue to focus on practices that support the mental health of their team. Ms. Racine and I have taken one of the suggestions that staff not be greeted with 'meetings' as the first point of contact and will be refining our orientation schedule to create a more inviting 'welcome back' theme! We will share the updated plan at a later date.

Open House is scheduled for Wednesday, August 24th from 2:00PM--5:00PM. A flyer will be distributed to students via mail, email, and social media. Students will receive school supplies at this time.

Napi is excited to welcome our team, students, and parents back to campus for the 2022-2023 school year! We look forward to our students having a fun-filled year of learning and social-emotional growth!
