

**DU PAGE ELEMENTARY SCHOOL DISTRICT 13  
BOARD OF EDUCATION  
Bloomington, Illinois  
Regular Meeting October 28, 2024**

**FOR ACTION**

**Subject: Approval of the DuJardin Area Sidewalk Project**

As mentioned in prior editions of the Thursday Letter, I have described the project that would replace stairs adjacent to the south end of the DuJardin Elementary property that lead to a subdivision with a concrete ramp. In order for the Village to receive funding to support the project from outside sources, the school district must agree to the conceptual plan. I have attached a memorandum from DLA Architects to describe this in more detail.

It is the recommendation of the Administration to agree to the sidewalk project and have the Board president sign the Illinois Department of Transportation Phase I Engineering documentation as a non-participating co-sponsor of the project.

**Recommendation:** The Board approve the DuJardin sidewalk project and sign the attached documentation as a non-participating co-sponsor, as presented.
