Re: 2024 Bond Contractor Recommendation

I would like an opportunity to share with the Board of Education information on phase 3, bid pack #2 for the 2024 Bond Renovations at the next Committee of the Whole Meeting on November 13, 2023.

Bids for this project were due and opened on November 7, 2023. The Bond Team has reviewed the information and interviewed bidders. The recommended bidders are detailed in Clark Construction's recommendation letter, which accompanies this memo and can be found following the recommendation letter from the District's owner's representative, Plante Moran Realpoint.

The total project cost for the hard construction is \$8,530,333.00, plus a 7% contingency of \$597,123.00 and fees of \$353,156.00, for a project total of \$9,480,612.00. Please note, this includes acceptance of multiple alternate bids, which are detailed in Clark Construction's recommendation letter.

Please add this request to the agenda of the Monday, November 13, 2023.
