616 SCHOOL DISTRICT SYSTEM ACCOUNTABILITY

I. PURPOSE

The purpose of this policy is to focus public education strategies on a process which promotes higher academic achievement for all students and ensures broad-based community participation in decisions regarding the implementation of the Minnesota Academic Standards and other state and federal mandates.

II. GENERAL STATEMENT OF POLICY

The school district will establish a system to review and improve instruction, curriculum, and assessment which will include substantial input by students, parents or guardians, and local community members. The school district will be accountable to the public and the state through annual reporting.

III. DEFINITIONS

- A. "Credit" means a student's successful completion of an academic year of study or a student's mastery of the applicable subject matter, as determined by the school district.
- B. "Graduation Standards" means the credit requirements or Minnesota Academic Standards that school districts must offer and certify that students complete to be eligible for a high school diploma.
- C. "World's best workforce" means striving to: meet school readiness goals; have all third grade students achieve grade-level literacy; close the academic achievement gap among all racial and ethnic groups of students and between students living in poverty and students not living in poverty; have all students attain career and college readiness before graduating from high school; and have all students graduate from high school.

IV. ESTABLISHMENT OF GOALS; IMPLEMENTATION; EVALUATION AND REPORTING

A. School District Goals

1. The school board has established school district-wide goals which provide broad direction for the school district. Incorporated in these goals are the graduation and education standards contained in the Minnesota Academic Standards. The broad goals shall be reviewed annually and approved by the school board. The school board shall adopt annual goals based on the recommendations of the District Leadership Team and the District Curriculum Advisory Committee.
2. The improvement goals should address recommendations identified through the Advisory Committee process. The school district's goal setting process will include consideration of individual site goals. School district goals may be developed through an education effectiveness program, an evaluation of student progress committee, or through some other locally determined process.

B. System for Reviewing All Instruction and Curriculum. Incorporated in the process will be analysis of the school district's progress toward implementation of the Minnesota Academic Standards. Instruction and curriculum shall be reviewed and evaluated by taking into account strategies and best practices, student outcomes, principal evaluations under Minn. Stat. § 123B.147, Subd. 3, and teacher evaluations under Minn. Stat. § 122A.40, Subd. 8, or 122A.41, Subd. 5.

C. District Curriculum Advisory Committee

1. The District Curriculum Advisory Committee will meet to advise and assist the school district in the implementation of the school district system accountability and comprehensive continuous improvement process.
2. The District Curriculum Advisory Committee will provide active community participation in:
 - a. Reviewing the school district instructional and curriculum plan with emphasis on implementing the World's Best Workforce;
 - b. Identifying annual instruction and curriculum improvement goals for recommendation to the school board;
 - c. Making recommendations regarding the evaluation process that will be used to measure school district progress toward its goals;
 - d. Making recommendations regarding graduation requirements.

3. The District Curriculum Advisory Committee shall meet the following criteria:
 - a. The District Curriculum Advisory Committee shall ensure active community participation in all planning for instruction and curriculum affecting Graduation Standards.
 - b. Building teams may be established as subcommittees to develop and implement an education effectiveness plan and to carry out methods to improve instruction, curriculum, and assessments as well as methods to use technology in meeting the school district improvement plan.
 - c. A local plan to evaluate student progress, using a local process, shall be used for developing a plan for assessment of student progress toward the Graduation Standards, as well as program evaluation data for use by the Advisory Committee in the instruction and curriculum review process. The World's Best Workforce plan shall annually be approved by the school board.

4. The District Curriculum Advisory Committee shall, when possible, be comprised of two-thirds community representatives and shall reflect the makeup of the community. Included in its membership should be:
 - a. The Director of Curriculum (or similar educational leader)
 - b. Principal
 - c. School Board Member
 - d. Student Representative
 - e. One teacher from each building or instructional level
 - f. One parent from each building or instructional level
 - g. Two residents without school-aged children, non-representative of local business or industry
 - h. Two residents representative of local business or industry
 - i. School District Test Administrator (if different from "a." above)

5. The Advisory Committee shall meet the following timeline each year:

Fall:	Organizational meeting of the Committee to review the authorizing legislation and the roles and responsibilities of the Committee as determined by the school board. Become familiar with the instruction and curriculum of the cycle content area. Review academic achievement data and goals.
Winter:	Review program and curricular changes from the previous year and give recommendations.
Spring:	Review recommendations and give suggestions that administration brings to the school board for the following year.

- D. Reporting. Consistent with Minn. Stat. § 120B.36, Subd. 1, the school board shall provide a report on the school district website. The school board shall hold an annual public meeting to review and revise, where appropriate, student achievement goals, local assessment outcomes, plans, strategies, and practices for improving curriculum and instruction, and to review school district success in realizing the previously adopted student achievement goals and related benchmarks and the improvement plans leading to the world's best workforce. The school district shall periodically survey affected constituencies about their connection to and level of satisfaction with school.
