re: Zogotech's Hosted Storage

Question: At its meeting of May 3, 2016, Trustee Jim Orr asked a question about the amount of hosted storage for Zogotech. He also requested the names of other colleges that use Zogotech.

Answer:

- Zogotech responded that they planning on 1.5TB, but are prepared to increase it, as may be needed.
- Some of Zogotech's clients include:

Blackhawk College – IL	McLennan Community College – TX
Brazosport College – TX	Midland College – TX
City Colleges of Chicago – IL	North Central Texas College – TX
DCCCD (Eastfield and Northlake) - TX	Odessa College – TX
Johnson County Community College – KS	Piedmont Technical College – SC
Lincoln Land Community College – IL	Waubonsee Community College – IL
