**Instruction/Academic Data:**

- Enrollment- on-site, 389

**October 16, 2023**

Our Family Math Night was a big success. We had over 230 people in attendance!! The 4th grade cave projects seemed to help bring people in.

As of right now our Title Program is fully staffed. We just hired Nellie Pyle to help us out in 3rd & 4th grade. She started today.

We have started DD reading groups in all grade levels and are working on getting DD math groups going in our younger grades.

We are currently administering assessments to help teachers have up-to-date information to share on their Progress Reports.

Tammi is currently working on filling out information letters to let parents know if their child is receiving intensive intervention in the area of reading. Those will be ready to hand out during conferences.

**Professional Development**

- A team of 5 from Evergreen recently attended a Phil Boyt workshop and are excited to share about building school culture at the next staff meeting.
- Suggestion was made for a PD on redirecting defiant students and teacher response.
- 

**Next meeting:** November 20th, 2023

Adjourned 3:45pm
