EMERGENCY  
OPERATIONS PLAN

The Superintendent shall ensure updating of the District's Emergency Operations Plan and ongoing staff training.

FIREARMS  
PURPOSE

Recognizing that District schools are located in a somewhat isolated area and that response from emergency first responders, including law enforcement personnel, could be delayed, the Board adopts the following policy to address concerns about effective and timely response to emergency situations at schools, including invasion of the schools by an armed outsider, hostage situations, students who are armed and posing a direct threat of physical harm to themselves or others, and similar circumstances.

AUTHORIZATION

Pursuant to its authority under Texas Penal Code Chapter 46.03 (a)(1), the Board may, from time to time, authorize specific District employees and/or current school board members to possess certain firearms on school property, at school sponsored or school sanctioned events, and at Board meetings. Specifically authorized individuals shall be approved by separate action of the Board. The Board shall issue written authorization to approved employees and current school Board members.

CONCEALED  
HANDGUN  
LICENSEES

Only those school employees and current school board members who have obtained and maintain a current license, in accordance with State law, to carry a concealed handgun are eligible to be authorized to possess a firearm on school property.

TRAINING

Any school employee or current school Board member authorized to possess a firearm on school property shall be provided additional training in crisis intervention, management of hostage situations, and other training as the Board or designee may determine necessary or appropriate.

PERMITTED  
AMMUNITION

Only frangible ammunition, i.e., ammunition designed to have reduced ricochet hazard, will be permitted in firearms authorized to be on school property.
