9600 - **STAFF/STUDENT PARTICIPATION IN COMMUNITY EVENTS**

The Board ~~of Education~~ recognizes that the local community offers many programs and events that provide learning experiences which are not available in the schools and which can help students become more literate, cultured, productive human beings.

The Board seeks to maintain continuing communication with those groups and organizations that enrich the life of the community and authorizes the Superintendent to cooperate with their leaders both in the use of District resources that can aid their efforts and ensuring that members of the staff and student body are made aware of education-related activities of these groups. Further, the Board encourages members of the staff to make their many talents and specialized knowledge available, as time permits, to enhance the quality of such community activities.

The Superintendent shall support community activities and events which are related to District Courses of Study ~~are incorporated~~, as appropriate, ~~into such courses~~ as either required or enrichment assignments.
