Re: Board Report April 2025

Goal: Portrait of a Graduate

- Update from last month: 1 of the 2 CHS seniors: Luke Mourad, was selected to be awarded the National Merit Scholarship (\$2500) Over 1.3 million were entered, 16,000 of them are named Semifinalists, and around 6,870 of the outstanding Finalists were chosen as Merit Scholarship winners in the 2025 competition. We are very proud of Luke for his outstanding dedication and achievement.

Goal: Engagement

- Students in Arbor Club are working with our Operations department to revive our building recycling program. Student leaders of Arbor Club asked for support from each building ran club to sign up for a week to support the work of the program.

Goal: Health and Safety

- Our first Wellness Day was a success. Pictures are available [here](#) for a glimpse of the amazing sessions that took place on March 17th.
- CHS will be piloting a digital hall pass system Our goals are to decrease unnecessary traffic in the hallway, limit and track the number of students in the hallway at a given time, and decrease the number of “meetups” in the halls. The system also has a feature for our Bulldog Block advisory period that will allow students to schedule themselves into sessions, ensuring they have arrived at their selected destination as well as being able to quickly locate them in the event of an emergency. It will allow us to schedule students into interventions for MTSS and provide us with data on what supports they are using or need during Bulldog Block.

Sincerely,
Amanda Clor
CHS Principal
