

(LOCAL) Policy Comparison Packet

This packet is generated by an automated process that compares the updated policy to the district's current policy, as found in TASB Policy Service records.

In this packet, you will find:

- Policies being recommended for revision (annotated)
- New policies (not annotated)

Policies recommended for deletion are not included. If you want to include the text of these policies in the information given to the Board, you may download them from *Policy On Line*.

Annotations are shown as follows.

- *Deletions* are shown in a red strike-through font: ~~deleted text~~.
- *Additions* are shown in a blue, bold font: **new text**.
- Blocks of text that have been *moved* without alteration are shown in green, with double underline and double strike-through formatting to distinguish the text's destination from its origin: ~~moved text~~ becomes moved text.
- *Revision bars* appear in the right margin, as above.

NOTE: While the annotation software competently identifies simple changes, large or complicated changes—as in an extensive rewrite—may be more difficult to follow. In addition, Policy Service's recent migration to Word 2013 causes some margin notes to appear as a tracked change where no change has taken place.

For further assistance in understanding policy changes, please refer to the explanatory notes in your Localized Policy Manual update packet or contact your policy consultant.

OBJECTIVES

The District shall provide a wide range of instructional resources for students and faculty that present varying levels of difficulty, diversity of appeal, and a variety of points of view. Although professional staff members may select instructional resources for their use in accordance with District policy and administrative regulations, the ultimate authority for determining and approving the curriculum and instructional program of the District lies with the Board.

In this policy, “instructional resources” may include textbooks, library acquisitions, supplementary resources for classroom use, and any other instructional resources, including electronic resources, used for formal or informal teaching and learning purposes. The primary objectives of instructional resources are to implement, enrich, and support the District’s educational program.

The Board shall rely on District professional staff to select and acquire instructional resources that:

1. Enrich and support the curriculum, taking into consideration students’ varied interests, abilities, learning styles, and maturity levels.
2. Stimulate growth in factual knowledge, enjoyment of reading, literary appreciation, aesthetic values, and societal standards.
3. Present various sides of controversial issues so that students have an opportunity to develop, under guidance, skills in critical analysis and in making informed judgments in their daily lives.
4. Represent many ethnic, religious, and cultural groups and their contributions to the national heritage and world community.
5. Provide a wide range of background information that will enable students to make intelligent judgments in their daily lives.

SELECTION CRITERIA

In the selection of instructional resources, professional staff shall ensure that the resources:

1. Support and are consistent with the general educational goals of the state and District and the aims and objectives of individual schools and specific courses consistent with the District and campus improvement plans.

INSTRUCTIONAL RESOURCES

2. Meet high standards for artistic quality and/or literary style, authenticity, educational significance, factual content, physical format, presentation, readability, and technical quality.
3. Are appropriate for the subject area and for the age, ability level, learning styles, and social and emotional development of the students for whom they are selected.
4. Are designed to help students gain an awareness of our pluralistic society.
5. Are designed to provide information that will motivate students and staff to examine their own attitudes and behavior; to understand their duties, responsibilities, rights, and privileges as citizens participating in our society; and to make informed choices in their daily lives.
6. For library selections, are integral to the instructional program, are appropriate for the reading levels and understanding of students, reflect the interests and needs of the students and faculty, are included because of their literary or artistic value and merit, and present information with the greatest degree of accuracy and clarity.

Administrators, teachers, library media specialists, other District personnel, parents, and community members, as appropriate, may recommend instructional resources for selection. Gifts of instructional resources shall be evaluated according to these criteria and accepted or rejected in accordance with CDC(LOCAL).

Selection of resources is an ongoing process that includes the removal of resources no longer appropriate and the periodic replacement or repair of resources that still have educational value.

CONTROVERSIAL
ISSUES

District professional staff shall endeavor to maintain a balanced collection representing various views when selecting instructional resources on controversial issues. Resources shall be chosen to clarify historical and contemporary forces by presenting and analyzing intergroup tension and conflict objectively, placing emphasis on recognizing and understanding social and economic problems. [See also EMB regarding instruction about controversial issues and EHAA regarding human sexuality instruction.]
