### Field Trips from 1/1/26 through 1/30/26

Total of **93** trips utilizing **125** vehicles and **21** route drivers.  
Due to weather we had to work to reschedule **21** trips.

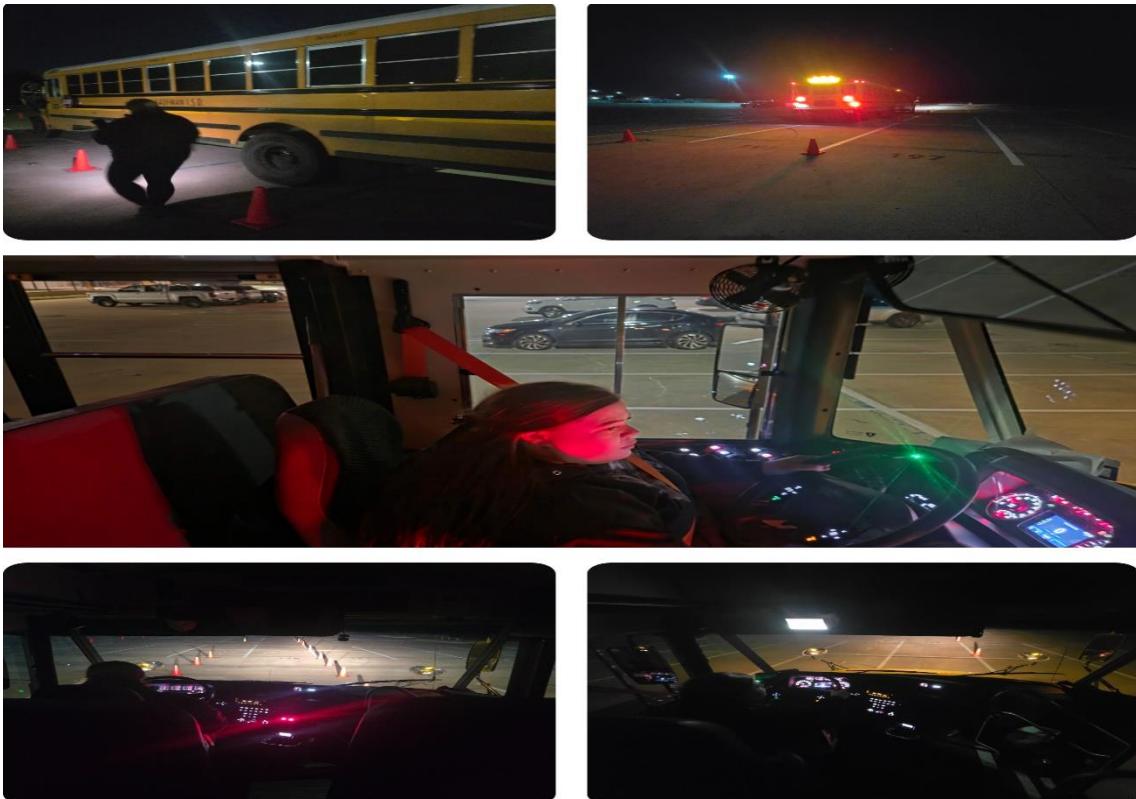

### New Buses Have Arrived

We received one full size 77 passenger bus and one Special Education bus that can hold up to 53 passengers. The new buses are equipped with LED stop arms and bus signage to increase visibility in low-light conditions to enhance student safety.

## Revamping Our Training

We are revamping our training program to include dedicated instruction on driving in the dark and low-light conditions. This ensures drivers are fully prepared for morning routes and any situations they may encounter during trips, helping them operate safely and confidently in all conditions.

## Winter Wonderland

During the ice storm, our team checked road conditions daily to ensure routes were safe for both drivers and students. We welcomed staff back with a hot breakfast once service resumed.

## Congratulations on Passing the CDL Exam

We're excited to share that one of our trainees has successfully passed her CDL exam and will be starting with us soon as a bus driver. We're proud of her hard work and dedication and can't wait to welcome her onto our team!

## Welcome Our New Office Aide!

We are pleased to welcome Linda as our new office aide. She has many years of experience as a substitute in Kaufman ISD and has also volunteered with the Band Boosters. Linda has been a great addition to the Transportation team.
