

**RESOLUTION CONVERTING ELECTION FROM ODD-NUMBERED YEAR TO  
EVEN-NUMBERED YEAR**

As part of the District's cash management plan, the School Board of Independent School district 831 now chooses to hold their elections in the even-numbered year which will considerably reduce the cost of an election thus saving the school district money.

According to Laws 1994, Chapter 646, Section 26, Subdivision 1, provides that a political subdivision that initially chooses odd-numbered year elections and later determines to change to even-numbered year elections may do so by the adoption of a new resolution that contains an "orderly plan" for the transition.

Therefore, the Director of Business Services recommends the following resolution:

BE IT RESOLVED by School Board of Independent School District 831  
That the school board extend all current terms by one year and run three  
Members for four year terms in 2014 and four members for four year terms  
In 2016. All elections in 2014 and thereafter would be for four year terms.
