Subject: Southern Piegan Health and Wellness Program Presentation

Description: Durand Bear Medicine will make a brief presentation on the status of the Southern Piegan Health and Wellness Program. This program is a collaborative effort for which the Board previously approved a Memorandum of Understanding indicating the willingness on the part of the school district to allow this program to utilize some school facilities to provide services directly to our students. We are planning on allowing the use of the old VisionNet classroom area and adjacent office area at Browning Elementary for the program.
