

**Medford 7-12 Schools
School Board Report
May 16, 2022**

1. April Tigers of the Month - 7th grade - Riley Geier; 8th grade - Reid Wildgrube; 9th grade - Emma McAdams; 10th grade - Beau Lawson; 11th grade - Jaidyn Rubio; 12th grade - Ava Westbrook

2. Exciting Happenings

-We had teacher appreciation week this past month. They deserved some treats and some time to reflect with one another. *They are so appreciated!*

-Click or ticket week presented by SADD

all week
was a

great reminder to our students to always be safe in a vehicle. We were able to have the mock car crash again and this always sets the tone for safety. Thank you to everyone that made this a success.

-Prom was a huge success as we had an amazing turnout. The auditorium was absolutely beautiful. The boat ride in Stillwater was so much fun and the weather was perfect. Thank you to Mr. Johannes, Ms.

Mohr, Ms. Cameron, Mr. Boehning, and the student council for making this special. Also thank you to all of the parents that arranged a very memorable after prom celebration.

-Henry Grayson broke the 400 school record with a time of 50.39. Jackie Cole broke her own school long jump record this season and she continues to break her own (18'1"). The boys 4 x 100 (Jesse Ortiz, George McCarthy, Paul Cole, & Henry Grayson) broke the school record 45.16. The boys 4 x 200 (Jesse Ortiz, Tyler Buck, Paul Cole, & Henry Grayson) broke the 4 x 200

school record 1:34.69. There will be more to come...stay tuned.

-Craig Hillier from the Winning Edge Seminars did an amazing presentation about leadership to our 6-8th grade students. He was so relational and funny that every student learned something. This was a lot of fun.

-National Honor Society and the Business Club traveled to the Ronald McDonald House in Minneapolis yesterday and volunteered to help clean up. Thank you students and staff for making this happen.

-Congratulations Jacob Andrews on his National Letter of Intent to play football at St. Scholastica.

-We had happy administrator's assistant day - thank you Diane Larson for everything you do.

3. Graduation - [Graduation note shared with parents.](#)

April 2021-2022 Tigers of the Month

Starting top left: 7th Grade - Riley Geier
8th Grade - Reid Wildgrube
9th Grade - Emma McAdams
10th Grade - Beau Lawson
11th Grade - Jaidyn Rubio
12th Grade - Ava Westbrook

4. Curriculum - Math curriculum has chosen its curriculum which will be primarily online. We have ordered a set of books for each class for the times we need to meet student needs. ELA will be 2023-2024 and they are beginning to look at various curriculums

5. Other Programs - South Central College has a program “Work Based Learning” that we will be working with. Gwenn Wolters (SCSC Career & Technical Education Coordinator) will be guiding us in formulating a plan to get our students involved with businesses

6. Summer School - The curriculum is being reevaluated for the 4 core courses. Curriculum will be built for 10-12 hours per course. There will be a pre and post test that highlights the information that was lost during the school year. Information has initially been shared with families of those in need of summer school.

7. [Site Team Update](#) -

***Anyone who stops learning is old, whether at twenty or eighty. Anyone who keeps learning stays young. -
Henry Ford***

Providing quality education while preparing our students and community for the future.
