RE: Prevailing Wage Rate

DATE: May 24, 2011

Annually, the Board of Education of Oak Park District 97 is required to adopt a formal resolution specific to “An ACT regulating wages of laborers, mechanics and other workers employed in any public works by the State, County, City or any public body or political subdivision or anyone under contract for public works”, or what is commonly referred to as the Prevailing Wage Rate. The Department of Labor of the State of Illinois publishes, as of June of each calendar year, the prevailing wage schedule (see attachment) and this document is incorporated within the formal resolution which is also attached. In the past, the schedule provided by the state reflected the rates as of June of the current year. By law, the Prevailing Wage Rates must be approved by the Board by June 15 and reported to the state by June 30.

The Administration will be seeking formal Board approval at the June 14, 2011 meeting.
