AGENDA ITEM: Approve/Deny School Bus Bids

PURPOSE: Approve/Deny School Bus Bids

MEETING DATE: March 19, 2025

PREPARED BY: Jessica Grantham, Jessica Dehnert

INFORMATIONAL SUMMARY:

The District received three sealed bids in response to the Request for Proposals for School buses that was initially published on January 17, 2025. The Request for Proposal sought pricing for up to four 71-passenger school buses and bid documents were distributed to multiple vendors.

As one of the vendors no longer manufactures gas buses, diesel bus quotes were also sought from responding vendors at the request of the Transportation Director. The bid met or exceeded the Idaho State and Federal Minimum Standards for school buses.

Vendor	Western Mountain	Bryson	Harlows
Gasoline Bid	\$146,726	\$145,365.10	N/A
Gasoline Delivery Date	Oct-Dec. 2026	Sept. 2025	N/A
Diesel Bid	\$145,876	\$147,485.14	\$147,125.34
Diesel Delivery Date	Late Summer 2026	August 2025	1 - April/May 2025 3 - October 2025
Warranty Center	Western States CAT - Hayden, ID	Pullman, WA	RWC - Spokane, WA

Additionally, we sought pricing for Activity Buses from the responding vendors:

Vendor	Western Mountain	Bryson	Harlows
MFSAB			\$125,000 each
MFSAB Delivery	Spring 2026	Unknown	2 - Available now

Northwest Bus Sales has three (3) 2024 Chevrolet Magellan 14-passenger MFSAB-B16645 buses available for purchase at \$112,885 each. (\$225,770 for two; \$338,655 for three)

The District currently has \$473,996 available in Fund 424 - Bus Depreciation. Once we make the depreciation transfer at the end of the current year, we will have close to \$633,996. This balance provides sufficient funds to purchase four (4) diesel buses from Harlows. Although they are not the lowest bidder, their warranty center is close and their delivery timeline is better.

The District currently has a line item of \$210,092 for Activity buses in Fund 421 - Board Facility Projects. The current ending balance of Fund 421 is \$498,533.14. If you subtract the budgeted funds for the activity buses (\$210,092) and the amount due to be paid to close out the window/siding/door projects (\$89,000) that leaves an unobligated fund balance of \$199,441.14. This would allow for the purchase of at least two activity buses. (Bus Depreciation funds are not allowed to be used for MFSAB bus purchases).

RECOMMENDATION:

We request the Board approve the purchase of four diesel buses from Harlows from fund 424. We recommend the board consider the purchase of two MFSAB activity buses from North West Bus Sales.
